Dear Kristy:

The quad chart is attached. I'll let you know when I receive official editorial notice on a paper about the Havana subjects...

Please confirm receipt.

Regards,

Carey

Dear Kristy:

Will do. I'm waiting to see if a revised manuscript is 'in press'.

Best,

Carey

Subject: Requesting updated Quad Chart (ONR Auditory Neuroscience & Performance)
Importance: High

Good morning all,

I am requesting an updated Quad chart for each project under the ONR Auditory Neuroscience & Performance Program by **1-Feb. 2020**.

Attached is the template with instructions. I am requesting quads prior to the April Program Review to have available for our internal ONR Review – you will be able to update your quads as needed for the April review.

Please let me know if you have any questions.

Thank you,

Kristy
